Does it cost a family anything to participate? Do they have to sell anything?

There are no membership fees or application fees. Your organization families simply pay your organization face value for the certificates they order. The beauty of the scrip concept lies in the fact that your organization members raise money for your organization by using their existing household shopping budget. Some families may enlist relatives, friends and neighbors to buy scrip. But unlike other fundraising programs, scrip families do not have to "sell" anything to raise money for their organization.
